Summary

Paving the last mile for AI Deployment on edge devices.

Experience

AigenEdge
Co-Founder / CTO
July 2021 - Present (5 years 1 month)
India

Paving the last mile for AI Deployment on edge devices.

NXP acquires Freescale Semiconductor
Senior Design Engineer
April 2018 - June 2021 (3 years 3 months)
Noida Area, India

Working on hardware computer vision accelerators(for advanced driver assistance systems) and hardware security IPs.

Freescale Semiconductor
3 years 4 months
Design Engineer
June 2015 - April 2018 (2 years 11 months)

Worked on hardware security IP which was responsible for secure boot, secure communication as well over the air updates for firmware.

Intern
January 2015 - June 2015 (6 months)
I did my internship as a Verification Engineer, with other subsidiary areas of research being in digital filter design.

Education

Birla Institute of Technology, Mesra

Bachelor of Technology (BTech), Electronics and Communication
Engineering · (2011 - 2015)

Jawahar Vidya Mandir, Shyamali
