

List of files to be Submitted

1. Project proposal Report (PDF) (**max 5 pages**)
2. Presentation file (PDF) (**max 8 slides**)
3. Presentation video (**duration : 5 minutes, max size: 50 MB**)
4. Turnitin report (PDF) (**similarity index ≤ 20**)

Please follow the instructions given below to create the report and presentation:

1. Report (maximum 5 pages). Please refer to the recording for the guidelines and [latex file](#) for writing your proposal.

The proposal must be submitted in a PDF file. We advise you to write in latex as further reports must be written in latex and is mandatory.

2. Recorded video (5 minutes) explaining the presentation slides. Please refer to the guidelines given below.

Guideline for preparing the slides (not more than 8 slides including the title slide):
heading (# of slides)

1. Project Summary and Objectives (2-3)
2. Literature Survey (1)
3. Dataset (1)
4. Workplan (1-2)
5. Expected Deliverables and Implementation Arrangements (1)
6. Resource Requirements (1)

The Students should avoid long paragraphs in the slides.
